Basics for FEEZING

As a start of "Calculating but not purchasing" we order the following CD including documentation.

- Software package (1) 'Pressure vessel design'** (AD2000, TRD, ASME, European Standards EN) **'FE calculation of nozzle loads' + 'Piping'** (WRC)

Price: 680,- EUR incl. 30,- EUR starting amount

- Software package (2) 'Process engineering'** (Heat exchangers, VDI Heat Atlas, Properties) **'Hydrodynamics'** (Pressure drop, ROHRNETZ)

Price: 495,- EUR incl. 30,- EUR starting amount

- Complete package** with all available LV software of packages stated above..
Price: 980 EUR incl. 40,- EUR starting amount and introducing support via Netviewer

- Supplementary to previous FEEZING versions:
 - Package (3) Piping or FE- nozzle calculation: 120,- EUR each
 - Package (4) Hydrodynamics 100,- EUR

- We request an additional amount of _____ EUR for our LV account with this order

FEEZING by SmartCard (Internet independent)

for use in offices without Internet access or for laptops

- Desktop card reader ACR38 for cards 5 x 8 cm (1.96' x 3.15') at a special price of 15,- EUR
- SmartCard 5 x 8 cm including an amount of _____ EUR
- USB Stick card reader ACR38T for SIM cards 2 x 3 cm (0.79' x 1.18') at a price of 45,- EUR
- SIM card 2 x 3 cm including an amount of _____ EUR

The rest amount on your customers' account is refunded after the written termination 15,- EUR contribution towards expenses. LV is not liable in case of damage or loss of LV Smartcards.

Normally the LV-internet-services are on your service 24 hours a day. We cannot guarantee that our server is available all the time. There is no liability of LV according to data losses or corrupted data caused by technical problems.

I know that in case of the loss of the disk / file for the Internet connection, LV is not in liability until LV receives the written notice of the loss stating the customer's number. (usual office hours).
